Welcome to the GCU Online Learning Program Manual. This will help you to become familiar with using the Online Learning Web Portal.

How to use GCU Online Program System

1.1 How to access the Login page

The first step is to log in through the GCU website at www.gcuniv.edu. Click the Online Learning tab at the top of the page to log in.

If the GCU website is not available, you can log in directly at <http://georgia.eaaa.co.kr/login.php>

1.2 Log in to the system

The first thing you will see is the General Announcements page. This is the home page of the Online Learning Program.

1.3 Main Menu

On the online learning page, you will see a menu on the left side of the screen. This is the main navigation menu. Here you can view or edit your personal information, read general announcements, ask questions in the Inquiry Board, make comments about classes on the Free Board, and view your classes and watch video lectures under the "Enrolled Courses" tab.

1.4 Personal Information tab

On the Personal Information tab, you can view or edit (1) your personal info. You can upload a picture, change your password (2), or update your mailing or email address. Your information will already be filled in when you log in, so please check to see if your info is correct, and make any edits if necessary.
